Model	SMRT-CK4.0.US
Voltage	208 - 240 Vac / 60 Hz
Power	7100 W (2 x 1800 W / 2200 W / 1300 W)

Size	30" x 19 3/4" x 2 1/4" (760 x 500 x 57 mm)
Weight	10.2 Kg
Cooking Zones	2 x 7.5" (19 cm) 1 x 10.2" (26 cm) 1 x 5.5" (14 cm)

PACKAGE CONTENTS

- Smart Cooking Instruction Manual
- Smart Push Control (installation kit included)
- TherMIQ Device (device installation manual included)
- Pack of 3 silicone thermal insulators (maximum temperature: 250°C / 482°F)
- Thermal paste container for installation

Description:

Invisible induction system installed beneath the countertop, exclusively compatible with STOLANIC ITALIAN SURFACES USA porcelain surfaces in 20 mm (3/4") thickness.

Control:

Operation and control via a highly resistant, anti-reflective, color capacitive LCD touch device, installed and hidden under the countertop, accessible through its integrated push extraction system. The SMRT model also has its own APP for both Android and iOS, allowing control from a mobile device connected via Bluetooth.

Cooking Zones:

Cooking 4.0 features four cooking zones with different power levels. Each zone is independently controlled with 9 power levels and its own programmable timer from 1 to 120 minutes.

Functions:

- Intuitive interface available in 4 languages (ES, EN, FR, IT)
- Preset functions for official Cookware
- Bridge function for flex induction
- Storage for up to 10 custom programmable and editable functions
- Internal appliance temperature monitoring
- Container temperature control via ThermlQ device
- 24 recipes divided into 6 categories
- Low power mode
- Display brightness, sound volume, date, and time settings
- Quick access to all downloadable manuals via QR codes
- Integrated stopwatch function
- Laser pointer activation and calibration for cookware positioning
- Software update capability
- Control and monitoring through the Smart Cooking App
